

**MBE/WBE PARTICIPATION:** Participation Goals for this solicitation were specifically for Preconstruction Phase Services (including General Conditions) and they are 4.95% MBE and 2.59% WBE. Both the highest-ranked firm and the second-ranked firm submitted a MBE/WBE Compliance Plan that met the goals of the solicitation and were approved by the Small and Minority Business Resources Department. Separate MBE/WBE participation goals will be established for the construction packages associated with this project, and the Construction Manager's compliance plan for such services will be approved prior to staff returning to Council with recommended contract amendments. Carollo is design engineer for Water Treatment Plant 4 and they are responsible for developing the specifications, plans and providing design phase services for the construction of Water Treatment Plant 4.

**SOLICITATION FACTS:** Notification of this Request for Qualifications (RFQ) solicitation was sent to 375 firms on February 12, 2009. The RFQ was obtained by 93 firms, and six firms submitted qualification statements. None of the six firms were certified MBE/WBE firms. Of the six firms evaluated, four firms were short-listed for Phase II, Request for Proposal. Proposals were evaluated and interviews conducted with the short-listed firms. Interviews resulted in the following ranking:
